

Introducing the LexisNexis® Webinars Training Manager Dashboard

Our newly upgraded webinar platform now offers an additional feature to customers who sign up to our unlimited webinars subscription package.

The new Training Manager Dashboard is a free tool which will help you to make the most of your firm's subscription by enabling you to administer users within your firm and run reports on their webinar viewing activity.

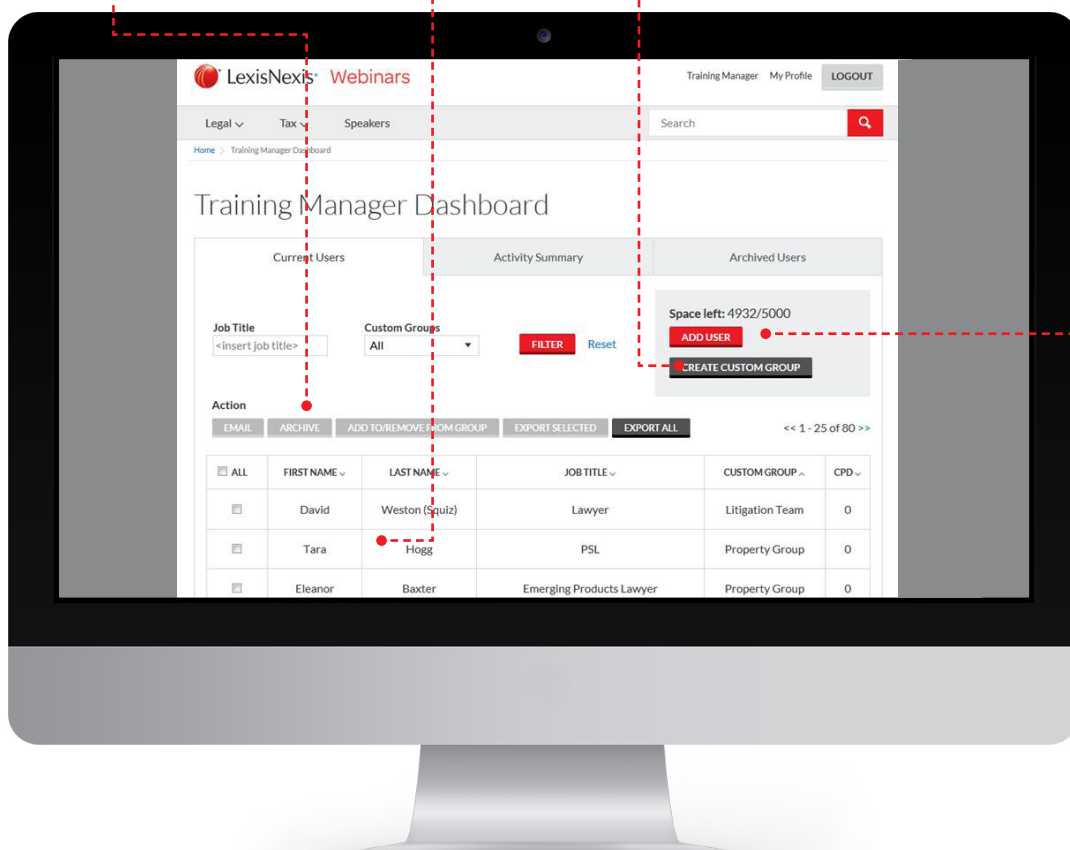

Use the Training Manager Dashboard to manage webinar users within your firm by:

Generating a list of **current users**

Adding users to your firm's account

Archiving inactive users

Organising users into **custom groups**

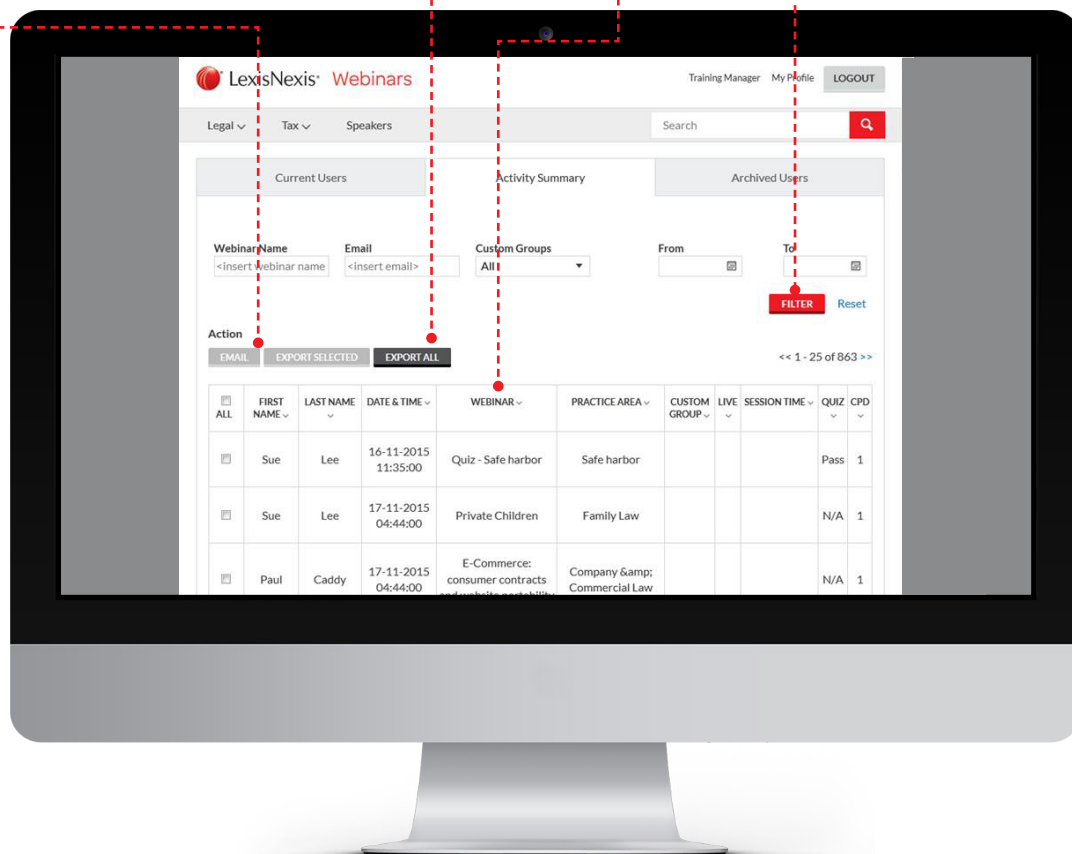

Use the Training Manager Dashboard to monitor webinar usage within your firm by:

Emailing selected users to prompt them to view webinars

Exporting selected data in spreadsheet format

Sorting results by attributes including user name, date and webinar title

Filtering viewing activity by webinar title, custom group or viewing date

Contact your account manager for further details or email webinars@lexisnexis.co.uk in order to be set up with a training manager account or request a demonstration.
